INSPIRATION FOR BK TAP HAUS

Bauernhof Klausen is translated as from the German language as the Farmer's Hermitage or abbreviated to BK Tap Haus. The BK concept was developed around the idea of a modern German inspired Tap Room celebrating Minnesota Craft Beers, Breweries + Brewers.

24 Tap Handles in total. The vast majority of our Handles will support our local community breweries + state wide brew houses while rotating seasonally. A small minority will provide outstanding German beer including our own privately brewed and labeled BK Hefeweizen and our Main Street Farmer Creme Ale brewed in partnership with local brewer Forgotten Star Brewing.

Bauernhof Klausen will also provide a confident opening kitchen dining experiencing which compliments the flavors of our supported master craft beers.
