## INSPIRATION FOR BK TAP HAUS

Bauernhof Klaus is translated as Farmer's Hermitage from the German Language and often abbreviated to BK Tap Haus.

A modern German style community tap haus celebrating and supporting Minnesota craft breweries while providing an open kitchen dining experience focusing on German, East European and American inspired cuisine in a live music venue atmosphere fully equipped for private events.

24 Tap Handles in total. The vast majority of our Handles will support our local community breweries + state wide brew houses rotating seasonally. A small minority will provide outstanding German beer + our own private labeled BK Hefeweizen brewed in partnership with a local brewer.

Please Drink Responsibly
